Ineligibility to play in Championship Bracket – Due to the amount of teams and popularity of the tournament, we will not be able to follow-up with teams and therefore ask you to manage to the following. If unable to do so, you will not be able to move into the Championship playoff bracket if these terms are not met. **We greatly appreciate your compliance and support in making this a well run tournament for all to enjoy!**

- **SUBMISSION OF ROSTERS:** The official Tournament Roster (Online version or Excel version) must be completely filled out and received electronically 5 days prior to the Firecracker Classic Tournament (June 29). These will be considered open rosters with the ability to add players at any time in compliance with Tournament Rules. To help promote the players, we will be taking these rosters and developing programs for the College Coaches, Professional Scouts, and others interested parties. Therefore, the extra effort to ensure completeness at the time of submission is very helpful to get the best exposure for the players and Teams. We will be publishing June 30 and lack of roster will indicate your ineligibility
- **INTEGRITY OF TEAMS AND PLAYERS:** Each coach takes full responsibility to ensure compliance of players (age and amateur status) and the tournament rules are met. If there are questions, please consult with the tournament director and have resolved prior to the tournament
- **TEAM INSURANCE:** Each team must have proof of insurance available before playing on game day
- **NOTIFICATION OF SCORES:** It is important to call in or email scores immediately after the game. The winning coach is required to either email or call in the scores within 1 hour of the game ending: scores@usapremierbaseball.com or Gina Pettrow 562-895-1328. Please be sure to say the time of the game, the name and score of each team
